

## KRASSIMIR GANDEV – 70 JT 2016

### Theme:

**Section A** - Fairy problems type #, H#, S#, HS#, =, H=, S=, HS=, ==, H=, S=, HS== in 2-4 moves and Series or Parry Series in 2-8 moves with **Hurdle Colour Changing pieces**. Other fairy pieces or conditions are not allowed.

Please indicate the used computer check program and its version.

**Section B** - Fairy problems type #, H#, S#, HS#, =, H=, S=, HS=, ==, H=, S=, HS== in 2-4 moves and Series or Parry Series in 2-8 moves with **Hurdle Colour Changing pieces**. All other type white and black (but not neutral and half-neutral) fairy pieces are also allowed. Fairy conditions are **not** allowed.

Please indicate the used computer check program and its version.

### Definitions:

**Hurdle colour changing piece (Lion, Grasshopper, Kangaroo, Dolphin etc.):** if a hurdle colour changing piece moves over a hurdle that is not a king, the colour of the hurdle is changed.

The Hurdle colour changing pieces are known as **Andernach pieces**. Some examples:

**Andernach Grasshopper:** Like a normal Grasshopper (moves along Queen-lines over another unit of either colour to the square immediately beyond that unit) but it changes colour of the piece it jumps over (except the Kings and the neutral pieces).

**Andernach Kangaroo:** As an Andernach Grasshopper but requiring 2 (not necessarily adjacent) hurdles on the same line, and landing on the square immediately beyond the second hurdle, changing colour of the pieces it jumps over (except the Kings and the neutral pieces).

**Andernach Dolphin** = Andernach Grasshopper + Andernach Kangaroo

### Тема:

**Раздел А** - Феерични задачи тип #, H#, S#, HS#, =, H=, S=, HS=, ==, H=, S=, HS== в 2-4 хода и Серийни или Полу-Серийни в 2-8 хода с фигури от вида **Hurdle Colour Changing**. Други феерични фигури и условия не са позволени.

Моля, посочете коя програма и версия са използвани за компютърната проверка.

**Раздел Б** - Феерични задачи тип #, H#, S#, HS#, =, H=, S=, HS=, ==, H=, S=, HS== в 2-4 хода и Серийни или Полу-Серийни в 2-8 хода с фигури от вида **Hurdle Colour Changing**. Позволени са и всички други бели и черни (но без неутрални и полу-неутрални) феерични фигури. Феерични условия не са позволени.

Моля, посочете коя програма и версия са използвани за компютърната проверка.

### Определения:

**Hurdle colour changing фигура (Lion, Grasshopper, Kangaroo, Dolphin и др.):** ако такава фигура прескочи друга (с изключение на Цар), то прескочената фигура променя цвета си.

Тези фигури са познати също и като **Андернах фигури**. Ето няколко примера:

**Andernach Grasshopper:** движи се като Грасхопер (прескачайки друга фигура по права линия и диагонал и застава на полето веднага зад нея), като прескочената фигура променя цвета си (с изключение на царете).

**Andernach Kangaroo:** движи се като Грасхопер, но прескача по две фигури по права линия и диагонал и застава на полето веднага зад втората, като прескочените фигури променят цвета си (с изключение на царете).

**Andernach Dolphin** = Andernach Grasshopper + Andernach Kangaroo

Total of 69 problems took a part in both sections of the tourney. Here is the Award:

Общо 69 задачи участваха в двата раздела на турнира. Ето го класирането:

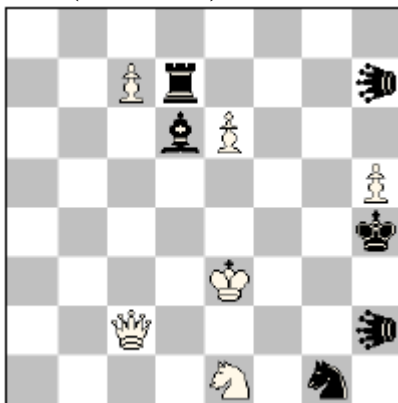

### Section A

**Participants/Участници:** Dieter Müller, Franz Pachl, Juraj Lörinc, Pierre Tritten, Stephan Dietrich, Rainer Kuhn, Linden Lyons, Ralf Krätschmer, Kenneth Solja, Harald Grubert, Michal Dragoun, Ladislav Salai jr., Themis Argirakopoulos, Gani Ganapathi, Sebastien Luce, Semion Shifrin, Maryan Kerhuel, Jaroslav Štůň, Mario Parrinello, Julia Vysotska

**Countries/Държави:** Germany, Slovakia, France, Australia, Finland, Czech Republic, Greece, India, Israel, Italy, Latvia

**Entries/Брой задачи: 52**

**Mario Parrinello**
